EXPERIENCE

FREELANCING | 2021-NOW

- Freelancing offered the promise of a different kind of adventure, where every project was an opportunity to learn, grow, and define my path in the tech world.

FULL STACK ENGINEER | 2019-2021

MaybeWorks

- Joining this new company felt like the next logical step in my career. The company gave me the opportunity to encounter different projects and various challenges, which later led me to the position of Senior Developer.

BACK-END ENGINEER | 2016-2019

SoftServe

- I was guided through the intricacies of front-end and back-end development. As the days turned into weeks, the scale of projects was larger, the complexity was higher.
